## YouthLink Grade 6 Field Trip

**Your child's Grade 6 class will be visiting the YouthLink Calgary Police Interpretive Centre in the coming weeks.**

YouthLink Calgary is an independent charitable organization that operates in partnership with the Calgary Police Service to deliver relevant and meaningful content to youth. Our mission is to empower grade 6 youth to make confident and positive choices surrounding some of the greatest challenges they face. Our goal is to impart tools, strategies and resources through experiential learning exhibits, interactive and engaging digital resources, and facilitated curriculum-based programming.

As part of the Grade 6 YouthLink School Program, your child will have the opportunity to participate in our "Safe for Life" workshops.

The Safe for Life program empowers youth more informed life choices, and gives them straight facts on challenging topics. The following are core themes that will be discussed during the program:

- Drugs
- Gangs
- Healthy Relationships
- Cyber Safety

Students will also learn about seeking help and support from safe, trusted adults, and local community resources. Our goal is to provide students with the knowledge and tools to make confident and positive life choices, thus preventing crime.
